

PROBLEM SOLVER

PROBLEM:

Drain lines can clog and run very slowly.

This Causes:

- The use of drain openers with harsh chemicals, acids, or bleach.
- Damaged pipes and fittings.

DRUMMOND®
A LAWSON PRODUCTS BRAND

SOLUTION:

Drummond® So-Drox Liquid Drain Opener and Sewer Line Restorer

- Quickly emulsifies grease, chews through food scraps, and dissolves hair.
- No harsh chemical odor.
- Leaves a pleasant lemon scent.
- Will not harm plastic or metal pipes, rubber fittings, porcelain, or septic tanks.
