

Mega-Stripe™ FC (Yellow) – 2 Part Kit **NEW** High Gloss, Durable Floor Striping Epoxy

Designed to hold up to the everyday wear and tear of industrial work areas. Essential to ensure safety in work areas, keep inventory organized, outline walkways, and improve work efficiency. Chemical and abrasion resistant. Two-part, 100% solids coating designed for high-traffic areas.

Safety stripes for building entryways, aisle ways, battery storage areas, open balconies, docks, manufacturing floors, and warehouse floors.

- Outlasts conventional line striping methods
- Superior chemical resistance, including battery acid, caustics, gasoline, and most solvents
- Extreme abrasion resistance
- Excellent adherence to concrete
- 300 linear feet at 4 inches wide or 100 sq. ft. at 16 mils.
- Coverage: 300 square foot
- Cure time: 6 hours (77°F / 25°C)
- Work time: 15 minutes (77°F / 25°C)
