

PROBLEM SOLVER

PROBLEM:

Most degreasers:

- Are too aggressive and can damage painted surfaces.
- Don't work well on vertical surfaces.
- Are highly flammable.
- Contain strong chemicals such as chlorinated solvents.
- Won't remove grease and oil.
- Leave a strong chemical odor.

SOLUTION:

Foamy Orange Citrus Degreaser

- Contains an all-natural citrus-based solvent that cleans tough jobs.
- Won't damage most water-safe surfaces.
- High-foaming action clings to vertical surfaces
- Non-flammable.
- Contains no harsh chlorinated solvents.
- Quickly breaks down and lifts oil, dirt, and grease.
- Leaves a pleasant orange fragrance.

APPLICATIONS:

- Machinery
- Cabinets
- Tools
- Equipment
- Walls and doors

INDUSTRIES:

- Automotive
- Education
- Equipment rental
- Facility maintenance
- Government
- Manufacturing
- Warehousing
