

Technical Data Sheet

Citrus Lotion Hand Cleaner

Overview

This citrus oil-based formulation cleans and leaves a fresh orange scent in the process. The skin-conditioning formula leaves skin enriched, soft and smooth. Pumice provides scrubbing action that effectively cleans grit, grease and grime.

Features/Benefits

- Safe and effective one step hand cleaning and degreasing
- No rinsing needed
- Portable
- Two types – Smooth and Heavy-Duty Scrubbing with Pumice
- Contains aloe vera, vitamins and additional emollients for the skin
- Reduces defatting of skin tissue
- Pleasant, non-offensive citrus fragrance

Applications

- Removes lubricants, oils and heavy greases
- Removes adhesives, sealants and epoxies
- Removes primers, paints and varnishes
- Removes ink, markers and toners
- Removes tar and undercoatings
- Removes wax and rust-proof coatings

Method of Application

- Hand

Identification

- Citrus-scented, light green cream

Sizes

- With Pumice: 15 Fl. Oz. (443.5ml) (28262)
4L (1.05 Gal./135 Fl. Oz.) (28261)
- Smooth (Without Pumice): 15 Fl. Oz. (443.5ml) (28264)
4L (1.05 Gal./135 Fl. Oz.) (28263)

Note: Use Lawson Products Wall-Mount Dispenser, Item No. A1M10, for 4 liter containers.

Technical Specifications

- Form: Thixotropic liquid
- Color: Light green
- Odor: Citric
- Specific Gravity: 0.9000 to 1.1000 @ 70°F (21°C)
- pH: Approximately 7.0
- Reportable VOC Content: 0.00% by weight
- Flash Point: Greater than 210°F (greater than 99°C)
- Water Solubility: Soluble
- Shelf Life: Minimum one year
- HMIS: H:1 F:0 R:0
