Dear Mr. Wiegand:

This is in reply to your request for compound authorization received on July 10, 1992 for your product General Purpose/Non-Acid Husky 804.

Your product is acceptable for use in toilets and/or dressing rooms of official establishments operating under the Federal meat, poultry, shell egg grading, and egg products inspection programs.

Acceptance of compounds by this Department is in no way to be construed as an endorsement of the compounds or of any claims made for them.

If any change is made in the labeling information or formulation, the authorization for use in official plants becomes void immediately.

Sincerely,

John M. Damaré, Chief
Compounds and Packaging Branch
Product Assessment Division
