Supertanium® Screw Extractors

Made of high-strength steel for greater resistance to breaking and rounding out

Lawson's unique design allows you to quickly remove studs, bolts, screws and fittings when dealing with broken fasteners.

Item No. P7041*

SUPERTANIUM®

Supertanium® Left Hand Drill and Screw Extractor Set

- 10 Pieces
- Supertanium® Screw Extractor Sizes No. 1-5
- Supertanium® Left-Handed Stub Drill Bits 1/8", 3/16", 1/4", 3/8" and 7/16"

*Includes corresponding XL-125 drill bits.

Unique hex shank design works well with standard hex sockets and extension or box wrenches, eliminating the problem of rounded corners

Tapered flute design cuts deep grooves for positive gripping action

Regency® Gold Spiral Point Taps

Created with tough, high-speed steel and coated with gold oxide to prevent overheating

Unlike standard hand taps, these are uniquely designed with a left-hand flute at the point to drive the chip ahead of the tap, eliminating the need to reverse the tap to break up the metal chips that get stuck in the teeth.

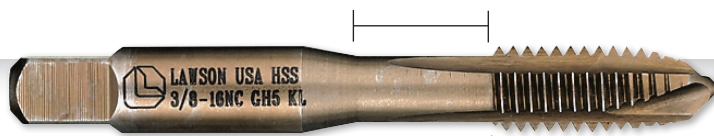

Regency® Spiral Tap and Drill Set

- 14 pieces
- Regency Spiral Point Hand Taps: one each 6-32, 8-32, 10-24, 10-32, 12-24, 1/4-20 and 5/16-18
- Regency Jobber Length Drill Bits: one each No. 7, No. 16, No. 21, No. 25, No. 29, No. 36 and F
- Can only be used in through holes

Item No. 26750

Shorter neck design eliminates breaking when the last thread enters the hole

Shorter thread length minimizes drag

Universal Socket System

One Socket Does it All

Compatible with range of head styles, these socket sets provide a single solution to tackle any job

- Universal socket fits up to 11 different head styles: Square, 6 pt. SAE/Metric, 8 pt. SAE/Metric, 12 pt. SAE/Metric, 30% rounded-off, Spline, E-Torx, and Ribe of nut
- Heavy-duty mirror finish chrome-vanadium, molybdenum and tungsten steel construction increases the strength 10 times the DIN standard and provides corrosion resistance
- Magnetic, rubber ball rail holds sockets firmly in place and sticks to steel surfaces

1/4"

15-piece standard socket set - 1/8" - (3.2mm) to 9/16" (14mm) - DY89310040
14-piece deep socket set - 5/32" (4mm) to 9/16" (14mm) - DY89310037

3/8"

20-piece standard socket set - 1/4" (6mm) to 15/16" (24mm) - DY89310041
20-piece deep socket set - 1/4" (6mm) to 15/16" (24mm) - DY89310038

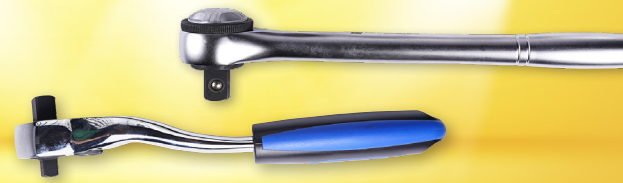

1/2"

24-piece standard socket set - 5/16" (8mm) to 1-1/4" (32mm) - DY89310042
24-piece deep socket set - 5/16" (8mm) to 1-1/4" (32mm) - DY89310039

Product Spotlight

Autobahn 2.1° Sweep Ratchet

Heavy-Duty Quick Release Ratchets for Hard-to-Reach Places

The knurled black oxide speed ring collar atop the ratchet head allows the user to incorporate rapid single hand assembly prior to torquing when there is no resistance.

Solid bar chrome-vanadium steel construction provides strength and corrosion resistance

Push button, quick release feature on ratchet head allows for smooth rapid addition or removal of extensions and sockets

Matte finish provides for easy identification and aids in slip resistance

Dual pawl 168 tooth 2.1° sweep allows for assembly and disassembly in tight, compact applications

Recessed forward/reverse lever on ratchet head allows for easy access

Drive Size (Inches)	Length (Inches)	Item No.	Pkg. Qty.
1/4	5-11/16	DY89285104	1
3/8	7-3/4	DY89285105	1
1/2	10	DY89285106	1

Available in a 3-piece set, DY89285107

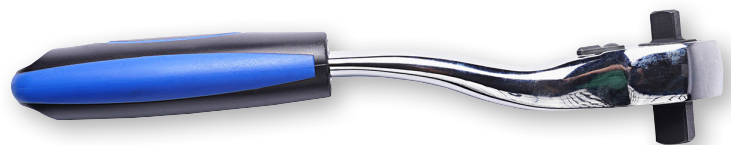

Dual-Head Ratchets

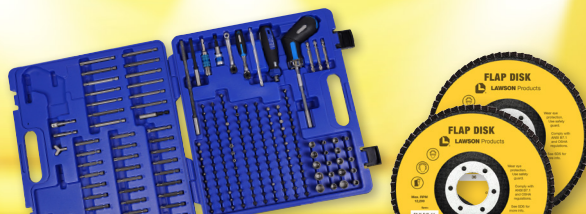

2 Ratchets in One

Heavy-duty mirror finish chrome-vanadium steel handle and head provide strength and corrosion resistance.

- 72 fine tooth design for less travel between ratcheting action and provides a 5-degree sweep in confined spaces
- Tough ergonomic comfort grip handle for better user comfort and reduced hand fatigue

214 Piece Deluxe Master Bit Driver Kit

Includes bits for a wide range of screwdrivers in a durable plastic carrying case

Set includes

- 178 Pieces, 1", 2" and 3" bits
- 22 Pieces, nut drivers and bit adapters
- Wing nut and socket driver
- All-in-one screwdriver
- Ratchets
- 4 And 8 magnetic bit extensions
- Jointed swivel driver
- #1, #2, And #3 double-ended Phillips countersink bits

Item No. **DY81100905**

203 Piece Master Bit Kit also available, does not include screwdriver, ratchets, bit extensions, swivel driver or countersink bits.

Item No. **DY81100900**

Flap Disks

High Quality, Self-Sharpening Zirconia Alumina Grain Flap Discs

Great for grinding, deburring and blending all steel materials, including stainless steel. Available in standard and high density, hubbed and unhubbed disks with wheel type 29 for maximum contact.

Flap Disk

- Offered in 4-1/2", 5" and 7"
- Available grit sizes: 36, 60 and 80

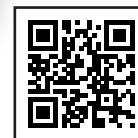

Use smartphone camera to Scan QR Code and see full line of **standard flap disks**

Flap Disk High Density

- Offered in 4-1/2", 5" and 7"
- Available grit sizes: 36, 60 and 80
- A thicker disc with larger flaps conforms to curved and irregular surfaces and produces a consistent finish

Use smartphone camera to Scan QR Code and see full line of **high-density flap disks**
