Superior Cutting Performance

Lawson's Tuff-Grit™ Cut-Off Wheels and Mini Cut-Off Wheels Are Engineered for Exceptional Wheel Life

Tuff-Grit™ Zirconium Grain Premium Reinforced Mini Cut-Off Wheels

- Lawson's exclusive formulation of zirconium aluminum oxide grain delivers fast, cool, non-binding cutting action for long life
- Unique resin and fiberglass bond design enhances blade strength and durability at high speeds
- The ultimate choice for cool, easy cutting of sheet metal, heavy-duty muffler clamps, bolts, and steel rods up to 3/4" thick
- Outlasts major competitors' wheels by over 2–3 times without sacrificing speed of cut
- Type 1 wheels available in 3" and 4" diameters

Tuff-Grit™ Zirconium Grain Premium Cut-Off Wheels

- Extremely long life and fast cut rate
- Thin cut design for quick cutting action
- Reinforced fiberglass provides maximum strength and safety
- Ideal for cutting tougher materials like stainless steel and high tensile alloys
- Also effective on ferrous metals (iron, steel, welds)
- Achieves over 50% more cuts than a major competitors' wheels
- Designed for use on right angle grinders
- Type1 & Type 27 wheels available in 4-1/2", 5", and 6" diameters

Also Available in Assortments

Tuff-Grit™ Mini Cut-Off Wheel Assortment

Includes:

- Tuff-Grit™ Mini Cut-Off Wheels
- 12 cut-off wheels
- Zirconium Grain Cut-Off Wheel Dispenser

3" Dia. Item No. 1522007
4" Dia. Item No. 1522009

Tuff-Grit™ Cut-Off Wheel Assortment

Includes:

- Tuff-Grit™ Cut-Off Wheels
- 12 cut-off wheels
- Zirconium Grain Cut-Off Wheel Dispenser

4-1/2" Dia. Item No. 1522011

Product Spotlight

Unmatched Grinding Efficiency

Lawson's Tuff-Grit™ Grinding Wheels Provide the Optimal Balance of Material Removal and Wheel Life

Tuff-Grit™ Zirconium Grain Premium Grinding Wheels

- Premium zirconium aluminum oxide grain is the longest-lasting, fastest-cutting abrasive designed to provide ultimate performance over a wide range of applications
- High cutting rates reduce total cost
- Improved operator efficiency – no bouncing or spalling
- Efficient grinding all the way down to the minimum stub size for longest life
- Especially effective for hard-to-grind applications like stainless steel weldments, nickel alloys and ferrous metals
- Outlast standard aluminum oxide discs 3-to-1
- Type 27 wheel available in 4", 4-1/2", 5", 7", and 9" diameters

Also Available in Assortments

Tuff-Grit™ Grinding Wheel Assortment

Includes:

Tuff-Grit™ Grinding Wheels

- 12 grinding wheels
- Zirconium Grain

Cut-Off Wheel Dispenser

4-1/2" Dia.
Item No. LP870
